LETTER FROM THE EDITORS

We are delighted to present everyone with the 1998-1999 addition of the FRIEZE. Without the support of the university's entire Greek community, this book would not be possible. We would like to especially thank all the house FRIEZE chairs for their help and dedication. The FRIEZE contains pictures of all the wonderful activities we all take part in throughout the year. The following pages show the diverse, fun-filled and unified atmosphere of the Greek community. Thank you for your support and enjoy the pictures!

Sincerely, Marisa Tortorella, Tosha Miller & Mike Sturino
